The screenshot shows a web browser window with the title 'Pose Detection'. The address bar shows '127.0.0.1:8000'. The page has a light blue background with stick figure icons. On the left, there is a control panel with a file upload button, 'Analyze Image' and 'Use Webcam' buttons, and a prediction section showing 'Standing (84.07%)' with a progress bar. The main area displays a video feed of a man in a light blue shirt and dark pants standing in a living room. The Windows taskbar at the bottom shows the date as 09/03/2026 and time as 23:39.
